

CFUW PQ Scholarship and Bursary Trust

Greetings from your Scholarship and Bursary Trustees,

The Trust offers scholarships and bursaries to girls and women from School District 69. There is one scholarship for a graduating girl from each secondary school going on to a university degree programme. There are scholarships for university undergraduate and postgraduate students. In addition, local women who want to return to their education at an accredited Canadian institution are eligible to apply for a bursary. It is hoped that there will be sufficient funds this year to offer an award to a District 69 woman entering or continuing her studies in a Red Seal Trade at North Island College. These awards would not be possible without your support.

The Trust recognizes that we are asking you to donate to the Scholarship & Bursary Trust at the same time you pay your CFUW dues. If you'd like to submit postdated cheques, we'd be happy to receive them. We depend on your generosity to support the Trust.

We thank you for your continuing support of education,
Lorna Miller, Chair, on behalf of Trustees Noreen Ballantyne, Vicky Burton,
Janet Farooq, Valerie Gunn, Shirley Ledrew, Claire Lightfoot, & Edie Ross.
